## 2007 Pinot Grigio

\_\_\_\_\_ x \$11 = \$ \_\_\_\_\_

*The only white on the list, this Italian varietal is a lovely dry citrus elixir. This wine has a flavor of crisp pears coated with a fine delicate pollen of almond blossoms. Served chilled, you can't go wrong with this one in spring and summer!*

## 2006 Sangiovese

\_\_\_\_\_ x \$14 = \$ \_\_\_\_\_

*This red wine is like a fruit tar applied to the tongue with a firm under bed of generous exuberant structure. This garnet-hued wine is almost port-like in taste and aroma.*

## 2006 Barbera

\_\_\_\_\_ x \$14 = \$ \_\_\_\_\_

*This Barbera laden's the air with exotic spiced pungency not unlike any airy kitchen. The red wine nuances from pepper, anise, plum, Concord grape, red currants and a hint of some peppermint! Yum!*

## 2006 Cabernet Sauvignon

\_\_\_\_\_ x \$16 = \$ \_\_\_\_\_

*Combining French and American oak, Winemaker Berton Bertagna has debuted his first Cab! Nice and dry like a Cab should be, but not overwhelmingly so. True to the grape variety this is a beautiful example of how a Chico-grown wine can compete against any other California Cab.*

## 2006 Petite Sirah

\_\_\_\_\_ x \$16 = \$ \_\_\_\_\_

*The winemaker's wife's favorite! This Petite Sirah has a size and power that is noteworthy considering its density and vibrant essence. Enjoy its garnet hues with a confluence of pepper, dried leaf spices, vanilla coffee and ripe plums.*

## 2006 Red Blend

\_\_\_\_\_ x \$16 = \$ \_\_\_\_\_

*50% Cabernet Sauvignon, 25% Barbera and 25% Sangiovese. The beautiful marriage of traditional Italian varietals combined with the strong backbone of the Cab make for a perfect blend. The aromatics reveal a smoky brown sugar with a montage of dried fruit pungency.*
